International Women's Day Breakfast & Workshop

Our Women, Our State... Be Inspired

This event is held in recognition of International Women's Day - a day of recognition for the progress that women have made in the workforce, and as a day for celebration.

The Breakfast celebrates Women in Business and acknowledges the particular contribution that women in business make to our local economy.

Women In Business Growth Strategy Workshop – Show me the Money.

Presented by Kathryn Williams.

You may be brilliant at 'doing' the business, but if the figures don't make sense, you won't make the profits you deserve.

This keynote will turn financial understanding into your competitive advantage. It will de-mystify the figures, inspire and empower you to master the financial side of your business.

Learn how to:

- Create your pricing policy
- Use your budget to understand how much an hour of your time costs
- Work through seven alternative modes of remuneration.

Keynote Speaker

Jodhi Fried, Bholu (left)

The Bholu philosophy is about creating beautiful products that we love and live with, while benefiting communities we work with along the way. In 2008, Bholu won the Australian Telstra Business Award for Social Responsibility and most recently Bholu was selected as TIME Magazine's Top 100 Most Influential Green Designs of 2009.

Strategy Workshop Presenter

Kathryn Williams, Kathryn's Mint (right)

Kathryn's Mint provides small business owners with a partner who can provide financial discipline, focus and support, while you keep reaching for the stars.
